Copy of letter REF.C.NO.1218/49.H.C. dated 20th July 1949 from the Rationing Officer, Udipi to the Secretary to the Commissioner Civil Supplies, Chempauk, Madras through the District Supply Office South Kanra.

SUB: ESTABLISHMENT - Rationing - Udipi Rationing Office -
Additional staff for procurement work - Requested.

READ: 1. This office C.No.811/49 H.C. dated 6-5-49.
2. Board's Ref.No.67258-K1-2 dated 3-6-49.

The Board of Revenue, Madras while recommending to the Government the sanction for the employment of 1 additional lower division clerk (which was retrenched at the time of reintroduction of rationing) in this office, has, in its reference cited above directed the Rationing Officer, Udipi to come-up with separate proposals about the end of July 1949 for the sanction of the posts of one lower division clerk and two enquiry officers in connection with the procurement work, requested for in this office reference cited above. I am accordingly submitting the following proposals for the sanction of the additional staff referred to above.

The existing staff of six lower division clerks (including the one additional lower division clerk sanctioned in G.O.Ms.No.547, Food Department dated 2-7-49), two enquiry officers and two checking Officers are fully engaged with the normal work involved in the office and their services cannot be spared for doing the heavy additional work involved in connection with the procurement which will be the heaviest during the six months from 1st September 1949 to 31st March 1950, as already reported in this office ref.C.No.811/49, dated 6-5-49, (a copy of which is enclosed herewith for ready reference). The one clerk allotted to do the normal work relating to procurement of about 600 cultivators and 450 landlords (stockists) throughout the year will not be able to do the heavy additional clerical work involved in this section during the period of six months from 1st September 1949 to 31st March 1950 when the procurement is at its peak. The normal executive staff of 2 enquiry officers and two checking inspectors will also be not at all available to do the heavy executive work involved in the procurement section during the said 6 months as their hands are full in causing enquiries on about 1000 applications relating to about 4500 households and the checking of nine authorised retail dealers, 160 establishments and 6 bakeries respectively, scattered over a wide area of about 10 square miles. Much difficulty is experienced by the existing executive staff in the disposal of their normal duties on account of the houses and localities being scattered far and wide with intervening fields and waste lands and made accessible to vehicular traffic on account of very narrow pathways leading to most of the houses. Much of their precious time is thus wasted in covering the distances walking. So, two additional enquiry officers are also absolutely necessary to cope with the additional procurement work during the said period.

Similar additional staff were being sanctioned in previous years also as per the following details:-

1944-45: One L.D.C. and two enquiry Officers.

Sanctioned in G.O.46392 dated 30-10-44 (B.P.Rt.4637-K2-44 CS dated 17-10-44) for a period of 3 months and extended in B.P.RT.No.6500 dated 29-1-45 for a period of 1 month upto 1-3-45.

1945-46. One L.D.C.

Sanctioned in B.P.RT.1463-45 dated 13-10-45 for 3 months and extended in B.P.RT.108/44 dated 26-1-46 for another 2 months.

1946-47. One L.D.C. and 2 Enquiry Officers.

G.O. Ms. No. 756 dated 10-9-46 for 3 months. The post of one LDC extended in G.O. No. 27 dated 8-1-47 for one more month.

1947-48. Two enquiry officers.

G.O. Ms. No. 1013, Food dated 11-9-47 for 3 months.

I therefore request that this time also the Government may be recommended to sanction the additional post of one lower division clerk and two enquiry officers for a period of six months from 1st September 1949 to 31-3-1950 as otherwise it is likely to affect the procurement work and stocks may go underground due to lack of proper control over the abnormal work during the season. Without effective and timely check over the procurable stocks it will not at all be possible to do the maximum procurement.

Early orders may be passed so that I may be enabled to employ the additional staff sufficiently in time.

2. The difficulties expressed by the R.O. Udipi are genuine. It is quite necessary that his staff should be strengthened in order to cope up with this extra work, connected with the harvest. The Board may therefore be pleased to move the Government for sanctioning the additional staff applied for by the Rationing Officer.
